**Chamber Supports District Levy**

MARYSVILLE – October 2, 2024 – The Union County Chamber of Commerce Legislative Committee recommended to the Union County Chamber of Commerce Board of Trustees that they support the Marysville Exempted Village School District (MEVSD) 5.5 mill Emergency Operating Levy on the November 5, 2024 General Election ballot.

The Union County Chamber of Commerce Board of Trustees recognizes the impact a school district has on the business environment in the community.

Dave Amerine, President of the Chamber Board says, “The Chamber recognizes the value of our schools in supporting the quality of life of Union County families and looks forward to partnering with Marysville Exempted Village School District on various growth initiatives in the district.”

The Chamber strongly encourages voters to support the levy.
